

MD/PhD Teaching Schedule (July, 2013- December, 2013)

Department of Microbiology

S.no	Date	Seminar/ *Culture Seminar	Topic	Student	Moderator
1	3/07/2013	Seminar	Recent developments in diagnosis & epidemiological typing of tuberculosis with special reference to MDR	Anshika	MV
2	17/07/2013	Seminar	Strategies adopted by viruses to evade host immune response and clinical consequences of immune evasion	Latika	MK
3	31/07/2013	Seminar	Bacterial Sepsis- Pathogenesis, Molecular diagnosis & Biomarkers	Jayanthi	MS
4	14/08/2013	Seminar	Non sporulating moulds: a diagnostic dilemma	Pradeep Kumar	AC
5	22/08/2013	Culture seminar	-	Jayanthi	MV
6	4/09/2013	Seminar	Development of vaccines against influenza A virus	Roopali	MK
7	18/09/2013	Seminar	Molecular mechanisms of triazole antifungal resistance in <i>Aspergillus fumigatus</i> and <i>Aspergillus</i> species	Cheshta Sharma	AC
8	26/09/2013	Culture seminar	-	Anshu	MV
9	9/10/2013	Seminar	Malaria- recent advances in diagnosis, management, drug resistance & vaccines	Sandeep	MS
10	17/10/2013	Culture seminar	-	Poornima	MV
11	23/10/2013	Seminar	Scope and potential of bio-informatics in Microbiology	Dibya Ranjan	MK
12	6/11/2013	Seminar	Endemic mycosis in India	Shallu	AC
13	20/11/2013	Seminar	Immune response to Dengue virus & prospects for a vaccine	Anshu	MK
14	28/11/2013	Culture seminar	-	Sandeep	MS
15	4/12/2013	Seminar	Vaccines against Tuberculosis	Pooja	MV
16	18/12/2013	Seminar	Toxoplasmosis- Epidemiology, life cycle, diagnosis & Treatment.	Poornima	AC

Venue: Seminar room, Microbiology Department.

Time: 12 Noon

*Culture seminar to be attended by all MD students

Dr. Malini Shariff (MS), Dr. Mandira Varma (MV),
Dr. Madhu Khanna (MK), Dr. Anuradha Chowdhary (AC)

Malini Shariff

To: Director, Faculty & MD, Ph.D students of Microbiology,
Mycology & Virology departments.
