National Poisons Information Centre, Department of Pharmacology, All India Institute of Medical Sciences, New Delhi

The National Poisons Information Centre (NPIC) is running in the Department of Pharmacology, All India Institute of Medical Sciences, New Delhi. The Centre works 24x7 and provides on the spot information on management of various poisonings to health care professionals, Government and Private hospitals, all over the country.

The NPIC provides information on:

- the likely diagnosis
- possible signs & symptoms
- management guidelines
- possible antidote and availability

What the information seeker should provide :

Information about

- **himself**
 - name, relationship, contact no., address,
- **the patient**
 - age, sex, time since exposure, substance ingested, amount, mode, signs & symptoms, treatment provided

What is not provided by NPIC

- Active treatment of the patient
- Supply of antidotes

In case of poisoning, call the NPIC
