LIBRARY CIRCULAR

Subject: Enriching ERMED Consortium Journal Selection

Lib/ERMED/2023-24/01

July 31, 2023

As a valued member of the ERMED Consortium, NML had requested to propose a list of the best and latest medical/health journals for potential addition to the subscribed list of ERMED journals. Our goal is to enhance the available resources for all users within the consortium.

To gather valuable input, all the Head of the Departments/ Faculty members/ Students and library members are kindly requested to submit the recommendations for medical/health journals they wish to see included in the ERMED Consortium subscription.

It is requested to submit their views regarding the same to the Library latest by 03/08/2023.

Your cooperation in this matter is highly appreciated.

Dr. Uma Tyagi
Librarian

For information to:

- ✓ All HOD(s)/Faculty Members (through e-mail)
- ✓ All Students/ Library members (through Notice Board/website)
- ✓ Director Office - for information
- ✓ Website Division.
