## C I R C U L A R

This is to inform you that the STCC calendar for the academic year 2023-2024 has been uploaded on the institute's website under the 'Academics' heading link. Moreover, separate files/links for 'Course Details', 'Application Form' and 'Advertisement' have also been uploaded within the STCC Calendar, as per the approval received.

To ensure the development of the calendar, it is kindly requested to regularly check the details of STCC contents on the website and inform the website division of any necessary updates or changes. Additionally, it is also requested to kindly prepare the write-up/information for 'advertisement links' at least one month before the commencement of the course. This will allow for the timely upload of information in advance.

Your cooperation in this matter will be highly appreciated.

Thank you for your attention.
