

Department of Pharmacology, VPCI
MD/Ph.D Teaching Programme (January to June 2015)

Date	Topic	Speaker
15/01/2015	Yoga in Health and Disease	Ms. Babita
22/01/2015	Herbal – Drug Interactions	Dr. Sachin Gajabhiye
29/01/2015	Recent Developments in Drug Regulatory Guidelines	Dr. Gautam Arora
05/02/2015	Yoga and Respiratory Disease	Ms. Babita
12/02/2015	Pharmacoepidemiology	Dr. Anita Kotwani
19/02/2015	Chemical Assays in Pharmacology and Drug Research	Jagdish Joshi
26/02/2015	Evaluation of Drugs for Heart Failure	Md. Shamsuzzaman
05/03/2015	Adverse Drug Reactions	Prof. A. Ray
12/03/2015	Evaluation of Anti-allergic Agents	Nishant Rai
19/03/2015	Hypolipidemic Agents	Dr. Sachin Gajabhiye
26/03/2015	Anti-retroviral Therapy	Dr. Gautam Arora
09/04/2015	Evaluation of Analgesics	Rashmi Anand
16/04/2015	Translational Research in Pharmacology	Dr. Kavita Gulati
23/04/2015	Renin-angiotensin System: Recent Concepts	Tarun Thakur
30/04/2015	Contentious Issues in Herbal Drug Research	Sulekha Chaudhary
07/05/2015	Basic Concepts in Biostatistics	Dhirendra Kumar Singh
14/05/2015	Evaluation of Anti-anxiety Agents	Meenakshi Sharma
21/05/2015	Toxins from Medicinal Plants	Ms. Babita
28/05/2015	Incretins: Role in Pharmacology	Harikesh Dubey
04/06/2015	Pharmacokinetics	Dr. Anita Kotwani
11/06/2015	Evaluation of Anti-diabetic Agents	Tapan Behl
18/06/2015	Quality of Life Assessment in Clinical Research	Dr. Kavita Gulati
25/06/2015	Nitric Oxide and its Application in Medicine	Prof. A. Ray

All MD/PhD students/ Research Scholars and Postdoctoral Fellows participate in the programme. Faculty members (Prof. A. Ray, Dr. Anita Kotwani and Dr. Kavita Gulati) coordinate these teaching sessions.
